

WHO ARE THE TRAILBLAZERS?

WHO WE ARE AND WHAT DO WE DO?

We are a group of teenagers who have integrated to perform high-level communication alongside the main goal of enhancing spiritual awareness.

Meetings are set on a bi-weekly schedule to meet short-term and long-term goals in which attendance is crucial.

Developing a mandir for devotees and having fun are our utmost priorities.

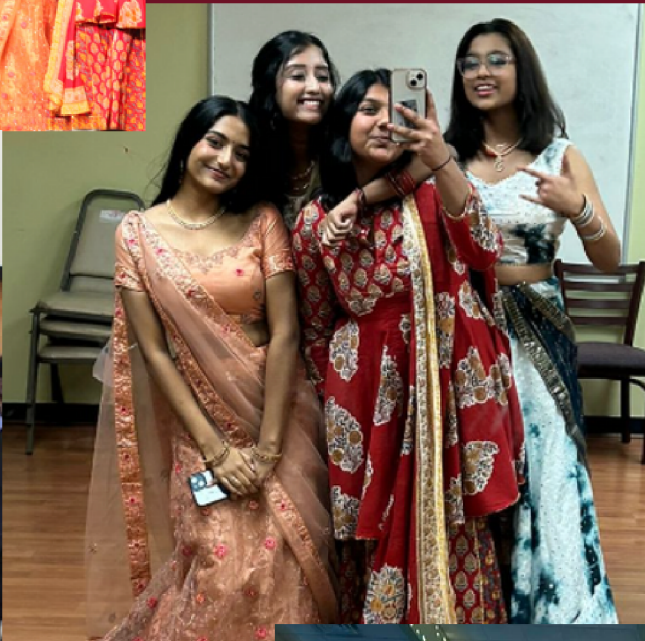

ARCHITECT MEETING

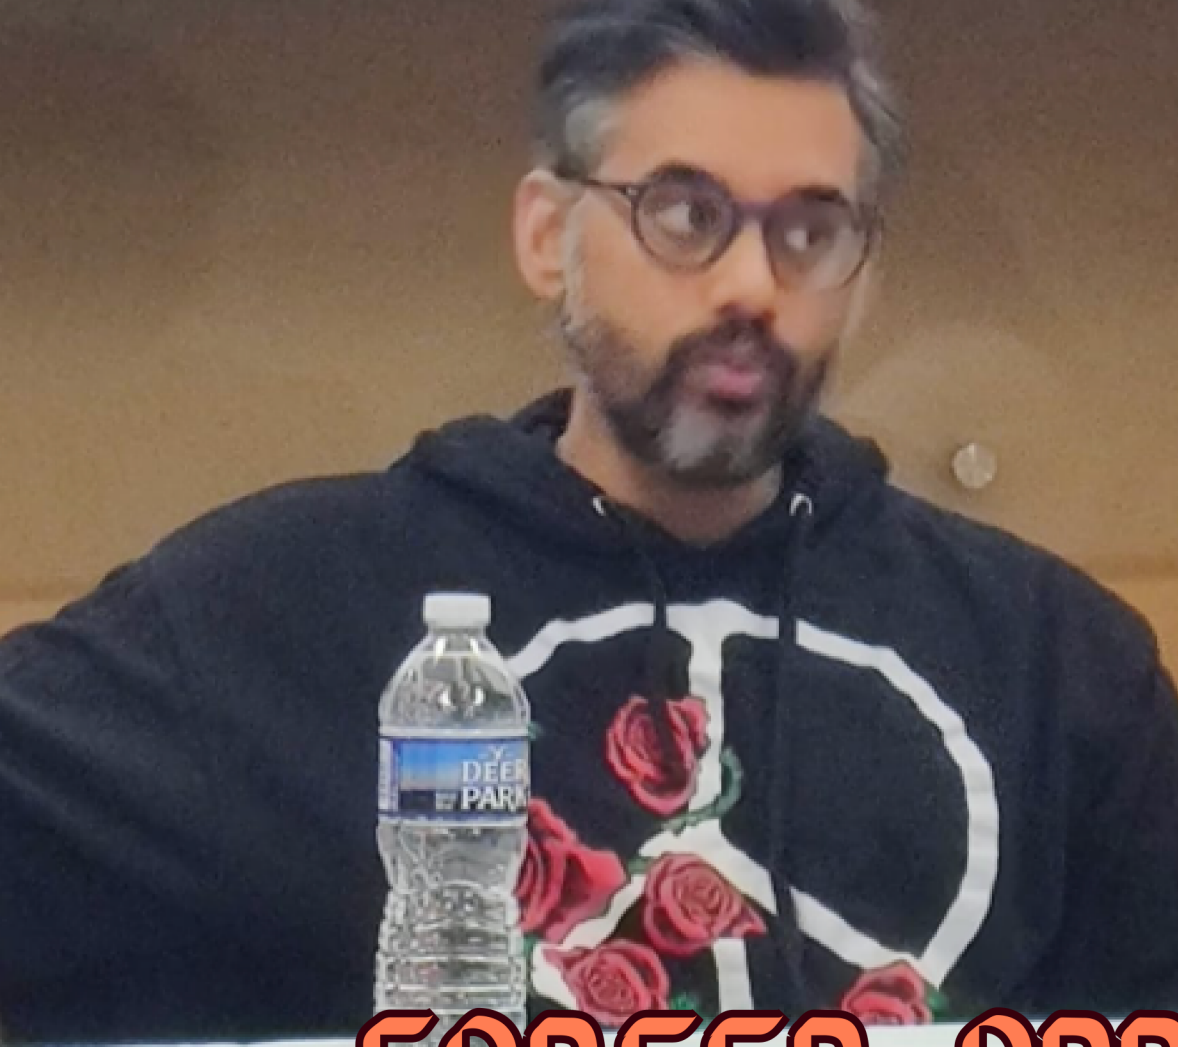

Trailblazers presented our ideas to the architects, factoring the youth mindset into the temple development project.
